

NASTESCO

MARINE ENGINEERING

Shipserv TradeNet #252196

WHAT WE DO

- **Specialize in all kinds of Main engines and Aux. engine maintenance works. (MAN B&W)**
- **Specialized in engine trouble-shoot like starting issues or high temperature or high consumptions.**
- **Specialize in Alpha lubricating service and spares supply.**
- **Specialize in Main engine Pneumatic System service and spares supply.**
- **Specialized for main engine special repair like damage fuel cam or exhaust cam replacement.**
- **Specialize in all Dry Dock supervision jobs to provide high-skilled engineer and ex-marine superintendent to monitor full main engine job scope with maker's standard instructions.**
- **24/7 online support for main engine related issues and difficulties.**
- **Supply all kinds of spares for main engine, turbocharger, purifier and automation, heat exchanger, purifier, governor and many more marine related items**
- **Calibration and repair of 15PPM, ODME, temperature controller, viscosity controller used and good working condition.**
- **Trading with used items from ship breaking yard with guarantee supply material as per customer requirements within limited time-frame.**
- **Effective - Affordable - Experience. This can benefit both sides and hence grow together in the long-term.**

WHO WE ARE

ABOUT US

- Nastesco Marine Engineering Pvt Ltd was incorporated in April 2018, in Gujarat, India, which provides maker's standard quality work for marine diesel engines and power-plant, marine and offshore sector at international level. We specialize in MAN B&W and Wartsila diesel engine related work.
- Skilled and professional engineers, superintendent and technicians will perform technical issue in efficient way with minimum time and cost.

OUR POLICY

- Nastesco Marine believes in long-term relationship with the client.
- Good, strong and fast support which benefits both sides.
- Quality is our best policy mantra.

OUR BUSINESS

- We specialize in all kinds of work for Marine Diesel Engine, specially the MAN B&W and Wartsila Engines.
- Specialize in lubricating system for MC, MC-C and ME engine and spare supply.
- Specialize in Pneumatic System maintenance and spares supply.
- Special repairs like camshaft replacement, damage cam installation, main chain related work.
- Crank shaft replacement and timing adjustment for distributor, lubricator, fuel cam, exhaust cam.

OUR VALUE - ADDED SERVICES

- Trading in ships spares and equipments like Hydraulic pumps & motors, SW pumps, Heat exchanger and coolers, electronic items, Pneumatic valves, Compressors, Purifiers, seals, o-rings, coupling and tank gauging spares, float switch, Nakakita temperature controller, Rexroth items from Singapore, China, Korea, Japan and Dubai and India.

OUR EXPERTISE IN

- ⚙ Specialize in **Main Engine** and **Aux. Engine** related works
- ⚙ Total Solution for Alpha and Mechanical Lubricator
- ⚙ Main Engine **Pneumatic Maneuvering** System
- ⚙ Maintenance and Spares Supply
- ⚙ Trouble-shooting and Special Repair for **Diesel Engine**
- ⚙ Turbocharger and Spares **Supply**
